Greeting Brother's!

It's that time again. All chapters are urged to update their website by removing all monikers, images of apes, and any items not keeping within the Alpha image. All chapters are also required to have the Alpha Phi Alpha mission and vision statement added to the website. On the evaluation sheet you will see an area where you are to list your chapter website address. Chapter evaluations are simply audits of each respective chapter. The evaluations lets the District Director know that chapters are compliant with the various programming and administrative functions expected of each chapter.

In essence, your chapter evaluation is a report card detailing all the hard work you've done for the fraternal year. What I urge Brothers to do is call or email me with any questions you may have before turning in your chapter reports to make sure that you have everything requested of you. To make this easier you will see an attached checklist to aid you with gathering your report. I have asked Bro. Eric Russell of Tau Epsilon to serve as my Co-chair of Chapter Evaluations. Again, I'm always available for any questions or concerns that you may have. Thank you and I look forward to working with you.

Fraternally, I am

Bro. Michael W. Fuller
